Where am I? The last thing I remember was going bezerk and pain. Oh god! Grace, Ren, Tyke, Odette, Maelynn, and amarant... My necklace! Where- wait, something is wrong. My hands are - oh dear God! I'm - I'm - I'm a girl! Ohh... uh, this is awkward.

Wait, I remember making a deal, to come back and get my vengeance on that Vampire, (and kurst) but what was the cost? It's like I can hear a faint whisper that I can't make out. I can't worry about that now, I've got to find the others. How old am I? This feels so weird, standing and walking is even different... So what bathroom do I use now!?!?

How do I
lose a
core?
How do my
hands keep
finding my
breasts?
